Headline:
Blustery showers today, heavy rain overnight.

Today:
Widespread showers throughout the day, most frequent in the west. Showers may be heavy at times, possibly with some hail and a low risk of thunder. Turning windy into the afternoon and feeling cool. Maximum temperature 14 deg C (57 deg F).

Tonight:
Showers will fade away during the evening to leave a brief dry spell before prolonged heavy rainfall arrives in the early hours. Breezy. Minimum temperature 10 deg C (50 deg F).

Tuesday:
Heavy rain clearing eastwards during the morning as cloud breaks. A mostly sunny afternoon, however isolated showers may still develop at times. Risk of persistent rain returning in the west. Maximum temperature 14 deg C (57 deg F).

Outlook for Wednesday to Friday:
Low cloud with light rain along the coasts Wednesday, dry and bright later. Cloudy on Thursday morning, plenty of sunny spells later. Fog patches Friday morning then bright and sunny.
